

# R1 Carbon Fiber Arm

The Pursuit Systems R1 Carbon Fiber Arm is available exclusively at WFW. This super light-weight camera system has a universal mount that attaches easily to the front and rear of any vehicle to provide camera angles from 1' to 22' (film camera) and 1' to 45' (stills camera). The R1 arm can be accessorized with a two or three axis remote head which offers 180° range of motion with smooth precise starts and stops.

## R1 Carbon Fiber Arm
