

3.3K, 3.6K, 50K and 100K Soft Sun

WFW is pleased to offer a wide range of Soft Sun lighting fixtures, the 3.3K, 3.6K, 50K and 100K. They provide instant start up and achieve maximum power the moment they are turned on and are fully dimmable with minimal colour shift. These fixtures run at 5400°K and create a light source that is soft and natural.
