

Ronford-Baker Linear Bed

The 35" (89cm) Ronford-Baker Slider provides an ultra smooth platform for lateral camera moves. It has a minimum height of 4¾" (12cm) and is just 10" (25cm) wide. Incorporated in the design are high precision, ground stainless steel runners and rollers, a 360° lockable rotation, adjustable soft stops and Mitchell to Mitchell fittings.

Ronford-Baker Linear Bed
